

Principal purpose of the publication, plans for which have been approved by the C.M.A. Council, is to "prepare interns, residents and medical students for membership in the medical community and, more specifically, in the California Medical Association."

According to a prospectus drawn up by a special committee which was named by the President of the C.M.A. at the direction of the House of Delegates to study the matter, this will be done by publishing in the proposed brochure:

"1. Editorial and news material designed to properly indoctrinate these men in the principles of free enterprise in which we believe.

"2. Factual material concerning the economics and technique of medical practice.

"3. Light news and gossip of interest to medical students, interns and residents.

"4. An open forum in which the medical students, interns and residents may express themselves."

The committee has recommended that initially the brochure be made up of four 8½ by 11-inch pages. No date for the first issue has been set as yet.

The members of the committee which made the recommendations with regard to the brochure are: Drs. J. Lafe Ludwig, chairman, Los Angeles; Russell Lee, Palo Alto; John Graves, San Francisco; Robert Hainning, Glendale; and Justin Stein, Los Angeles.

## In Memoriam

BRAMBLE, EARL G. Died in December 1949, aged 33, in an airplane accident near Banning, California. Graduate of the University of Kansas School of Medicine, Lawrence-Kansas City, 1941.
